Performing miracles every day!

Established in 2012 By The Rayson Family

Mission Statement

News Carriers, Provide a fresh approach with reduced costs, whilst maintaining high productivity levels, ensuring Maximum results on each consignment delivered by News Carriers.

Values

- At N.E.W.S CARRIERS we are committed to the highest standards of ethics and integrity. We are committed to our customers and to the companies we serve nationwide. In discharging our responsibilities. Our interactions with all segments of society must reflect the high standards we profess.
- National expansion by developing a strong customer base. Increasing the assets and investments in the company to support the development of our services.
To build a solid reputation in the field of transportation and become a key player in the industry.

Our Routes

We have our own fleet of vehicles and as a company we act as the marketing arm for various companies within the logistics sector. We have direct sole access to a varied selection of vehicles ranging from Tri-Axle, Super link flat decks and Tautliners. Our Partnership with various global trucking companies has given us a commercial edge in the market. On a monthly basis, we have the capacity to do 150 – 200 loads in the region of South-Africa.
